

## Individual Project Site Plan

### Gohouri Ange Junior WDD330

#### Site Purpose

The goal is to offer fresh and healthy food choices, including organic, made-to-order fruit drinks and fruit bags, catering to both the local community and tourists in coastal areas. The theme should emphasize healthy eating, organic abundance, and convenience.

#### Target Audience

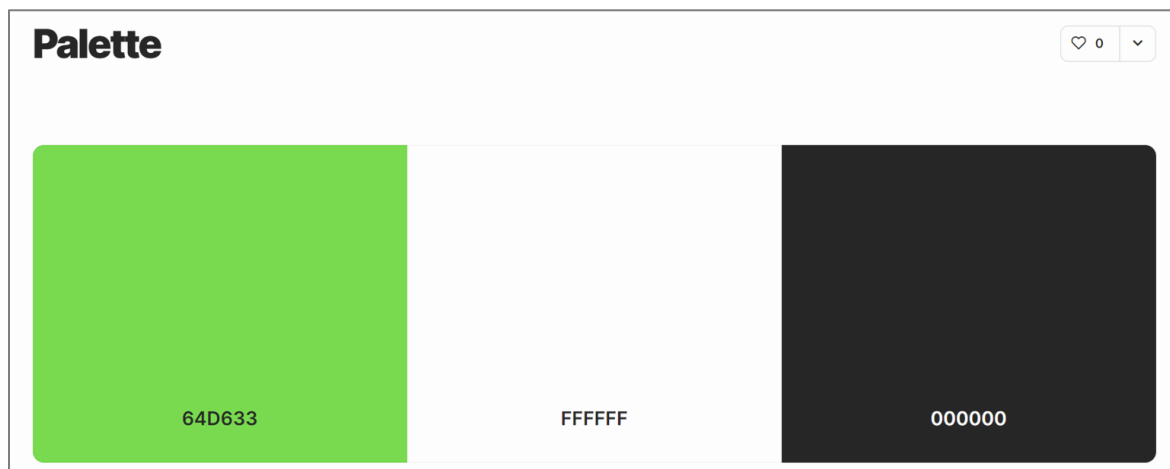

Persona 1: people who eat organic food because they like to eat healthily.

Persona 2: families with children, because parents want to help their children grow up healthy.
